If This Goes On...

Thomas
If this goes on
I tell you how it will be
If this goes on
I foresee catastrophe
If this goes on
It's the end for you and me
If this goes on
It's the end of history

Terror in the skies
Politics and lies
Private enterprise
Open up your eyes
Poisoning the well
One way trip to hell
That's no way to live
Something's got to give

If this goes on
See man's inhumanity
If this goes on
Coming soon to your TV
If this goes on
Murder is their specialty
If this goes on
Reason is the casualty

Churches make the rules
Statesmen play the fools
Forces of control
Fighting for your soul
Not to be denied
God is on their side
Muslim, Christian, Mormon, Jew
Monkey get in trouble, too

Something's got to give Something's got to give

Something's got to give

If this goes on
I don't know how we'll survive
If this goes on
No one here gets out alive
If this goes on
Ignorance will drive us blind
If this goes on
I think I will lose my mind!

Something's got to give Something's got to give

If this goes on
